

# Welcome to Your Holiday Hub Bristol's Holiday Activities and Food Programme

#### What We Offer

Your Holiday Hub Bristol is providing a wide range of funded activities for eligible families with children and young people in reception to year 11 (inclusive) who receive benefits-related free school meals this winter. From sports and arts to cooking classes and outdoor adventures, there's something for everyone. Each session includes a nutritious meal, helping families access healthy food while children have fun.

#### Why Choose Your Holiday Hub Bristol?

We believe every child deserves a happy, healthy holiday. Our activities are designed to support wellbeing, build confidence, and create lasting memories. By working with local organisations, we ensure safe, inclusive spaces where children can thrive.

#### How to get involved

This document provides all the details about activities taking place across Bristol during winter. You'll find information on what's happening, where, when, and who for! If you are looking at this document on a computer or handheld device you will be able to easily click on the link to the provider's booking page.

Children who are not eligible for benefits-related free school meals can still join in the fun through <u>Open Access sessions</u>.

If you are viewing this as a paper copy, please visit: <a href="www.yourholidayhubbristol.co.uk">www.yourholidayhubbristol.co.uk</a> to search for activities.

If your child has special educational needs or disabilities (SEND), please contact the activity provider directly to discuss how they can best support your child's needs.

In partnership with:

#### **Your Holiday Hub Provider Locations**
